THE HEROES AND BADDIES OF CHIMA

Welcome to the big, brilliant world of Chima. Every day, my friends and I fight for all that is good, and try to stop Cragger and his gang from stealing our precious CHI.

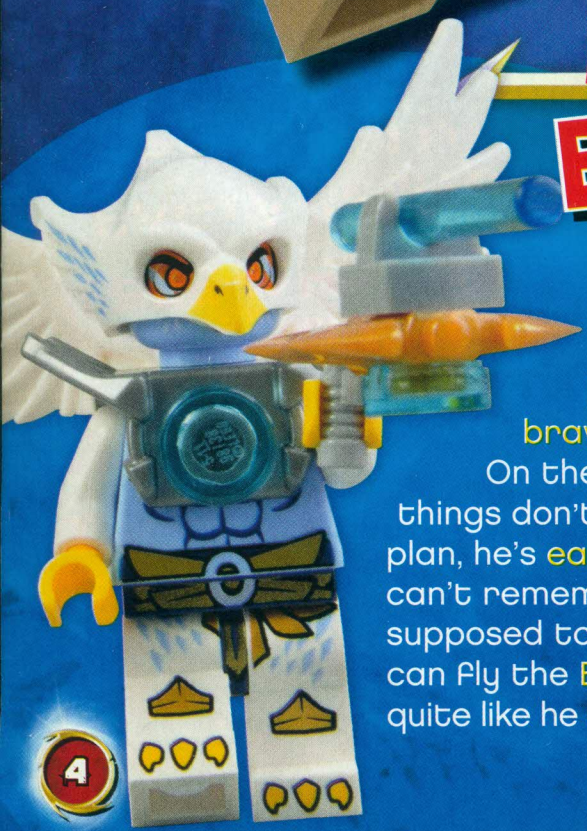
Laval The Lion Warrior

That's me! I am the strongest Lion warrior of all time. My friends say I'm exaggerating, but it's true! My father, LaGravis, is the King of the Lion Tribe, but I'm next in line for the throne!

The Eris She-Eagle

This young Eagle should not be underestimated. She's incredibly clever and always knows what to do, even in difficult situations. That's why we go so well together!

Your free figurine!



Ewar The Eagle Pilot

Ewar can always be relied on. He is brave, strong and loyal. On the other hand, when things don't go according to plan, he's easily confused and can't remember what he's supposed to be doing. But no one can fly the Eagle Interceptor quite like he can!

Gorzan The Gorilla Dude!

The leader of the Gorillas loves flowers! But that doesn't mean he isn't a brave warrior. If one of his buddies is in danger, he sees red! You don't want to be anywhere near him when that happens!

Cragger
The Croc Warrior

This sneaky Crocodile used to be my best friend. But then he came into contact with CHI too early and went a bit crazy! He blames me for the disappearance of his parents and that's why he's trying to take over the whole of Chima. I can't help but think his twin sister, Crooler, has something to do with it.

CHI BONUS 1

What is the name of the Master Thief of the Ravens?

Find the answer on page 34!

Razcal
The Raven

Like his Raven pals Rawzom and Razar, this bird has got one thing on his mind: getting rich! And he doesn't care how he does it. He'll even help the Crocodiles in the process!

Worriz
The Pack Leader

Vicious and cunning – that sums up the Wolves. And their leader Worriz is no exception. He really is a horrible howler who is constantly plotting evil plans with the Crocodiles. Boo!

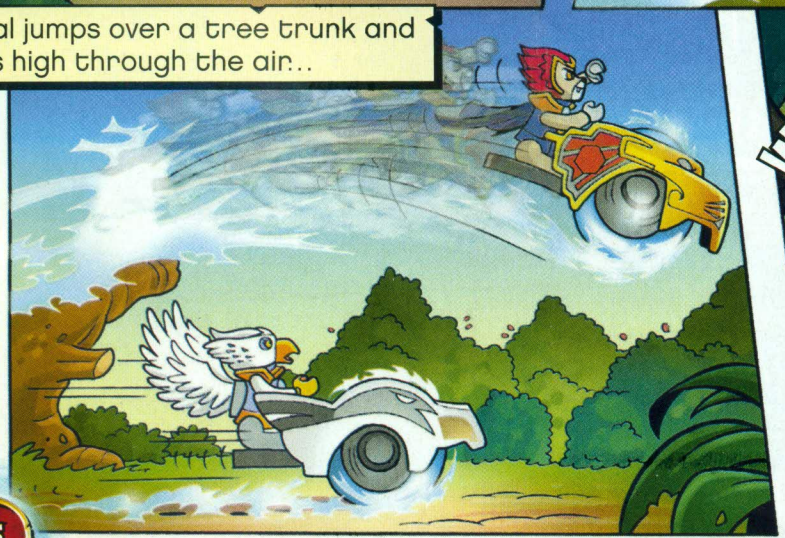
IF YOU WANT TO KNOW WHAT CRAGGER, WORRIZ AND RAZCAL ARE UP TO, THEN HURRY UP AND READ THE COMIC ON THE FOLLOWING PAGES!

HIGH RISK! PART 1

CHIMA – a world run by mighty Animal Tribes, divided by the battle of the noble Lions against the sneaky Crocodiles. Laval, Prince of the Lions, and his friend, Eris, a warrior of the Eagle Tribe, are racing through the land on their Speedorz.

Losing is out of the question for the Lion Prince, so he takes desperate measures ..

Laval jumps over a tree trunk and flies high through the air..



The jump went well – almost. But a vine got caught in Laval's wheel.

Laval loses control of his Speedor.
I won!
Laval! Are you ok? I was so focused on winning that I didn't see you'd had an accident.
I'm okay. I just wanted to win too badly, I guess!
You don't have to be so stubborn all the time. Losing is no shame. You mustn't risk your life for a win.
You're right. But ever since things went bad with Cragger, I'm just not the same.
All of a sudden we were enemies. Now my best friend wants to conquer all of Chima – and I'm the only one who can stop him!
We were best friends. We played every day and were always up to mischief!
We should never have snuck in to the sacred pool of CHI. It changed Cragger completely.

Comic-Illustration: Comicon (Pencils: Miguel Sanchez; Inks: Marc Alberich; Colour: Oriol San Julian

Not far away, Cragger and his Generals are coming up with a plan.
We need more CHI if we want to defeat the Lions.
My scouts told me about a CHI vehicle of the Gorillas. We should raid it!
CHI BONUS 2
How many teeth are visible in the mouth of the Croc-HQ?
Find the answer on page 34!
Cragger isn't convinced of his sister's plans.
But do you really think fighting the Lions will lead to anything? It won't bring our parents back.
But Crooler knows how to convince her brother. Secretly, she blows mysterious pollen in his face.
Of course! We have to defeat the Lions once and for all!
You're right!
Our goal isn't reached until we control all of the CHI!

JIGSAW JUMBLE!

Lennox and Wakz are racing **head-to-head** through the jungle on their Speedorz! Can you put the **missing puzzle pieces** back in the right places? Write the letters in the numbered boxes where you think they should go. Beware! You don't need every piece!

Duelling rules!

Play this game with a friend! Write your answers in pencil and time how long it takes you to solve this puzzle. Then rub out your answers and now it's your friend's turn! Who's quicker?

Answers on page 34.

A short time later, a group of Gorillas are transporting precious CHI from the temple of the Lions to their home.
Quick, quick, dudes. We have to get the CHI to our base before it gets dark.
CHI BONUS 3
What is the white Gorilla called?
Find the answer on page 34!
And before those creepy Crocs spot us!
Too late! Razcal attacks with a CHI-Raider!
Rrraarr! Take that, Apes!
Razcal drives the Gorillas into a Crocodile trap.
Finish them and get the CHI!
Retreat! Save yourselves!

The Gorillas are lucky. Laval and Eris have spotted Razcal's Raider on the horizon!
Laval! You can't just run in there!
We have to help them!
The Gorillas are trying to fend off the Crocodiles and the Wolves. But there's only a few of them and they're surrounded!
Don't worry! I know what I'm doing. Call for backup!
Yikes! I hope someone sees the flare...
PUFF
Laval has almost reached the battlefield...
I have to hurry! The Gorillas can't hold out much longer!

Here I come!
You're no match for me!
Argh!
But more and more attackers are surrounding Laval...
Stay away!
...until he has no other option but to surrender.
Hey, not all at once!
Now get the CHI and load it into the CHI-Raider!
CONTINUE ON PAGE 24!

Dude, give me some colour!

CHI BONUS 4

What's that floating above Grizzam's head? Use a pencil to join the dots in the correct order to find out!

Find the answer on page 34!

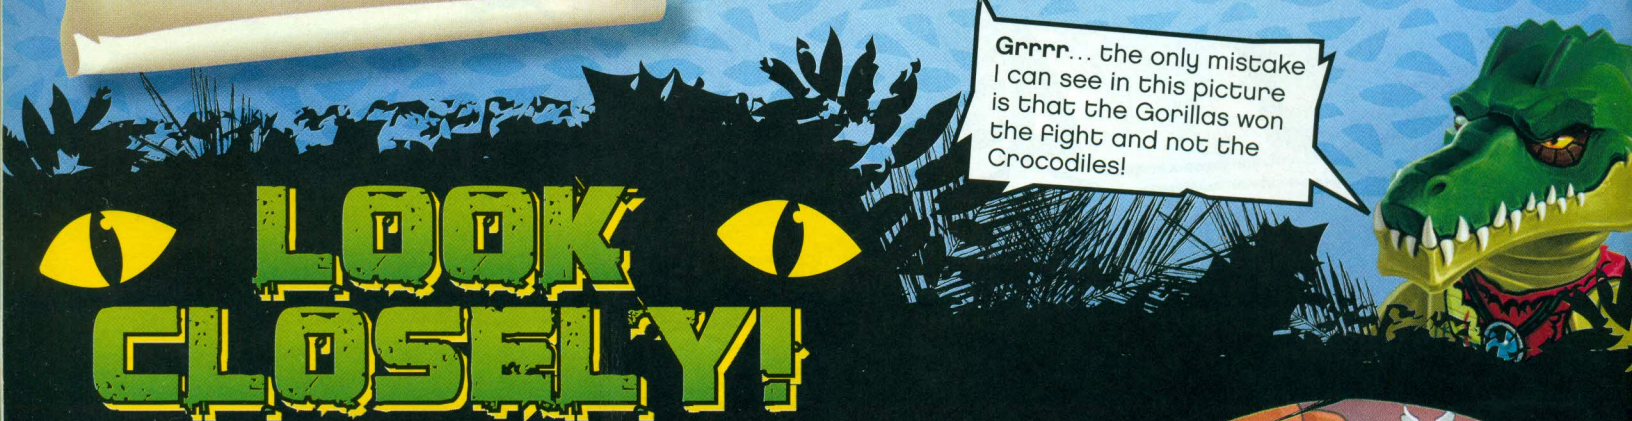
Phew! Laval needs a break! So do you, right?! There's a few puzzles over the page for you, but first you have to colour in Grizzam!

CATCH THE THIEF!

ERIS is hot on the trail of three crafty **CHI THIEVES**. She has already collected several **USEFUL CLUES** pointing towards the possible culprits. Can you help her find the three thieves among the suspects?

CLUES

1. The **first thief** has **sharp teeth** and **scars on his face**. He always wears **a top**.
2. The **second thief** does not have really **sharp teeth** and he wears a red and silver helmet.
3. The **third thief** has an eye missing, really sharp teeth and he wears a dark red cloak.



LOOK CLOSELY!

In the comic, **LAVAL** sees the **CROCODILES** attack the **GORILLAS**! But he's forgotten a few details. Compare this picture with the one in your comic on page 11. Can you spot seven differences?

Answers on page 34

Part 1

THE LIONS

The Lions are mighty, friendly and strong. In the first part of our Chimapedia, you'll learn all about the Lions, their home and their history. Collect them all!

LAVAL

The **Prince of the Lions** is young – and it shows. He's headstrong and still has a lot to **learn** about what it means **to be a leader**. He doesn't like to follow rules and this really annoys his father. A Lion must always be **aware of his duties**.

LAGRAVIS

The father of Laval is the **ruler** of Chima. He is **wise** and **fair** but, at times, he can be pretty impatient with his son. Each month, he **hosts** the great **CHI Tournament**.

LONGTOOTH

Longtooth turned down a seat on the **Council of the Elders**. Despite his **old age**, he prefers to throw himself into **battle**. At least, as long as his back holds out!

LENNOX

This **young Lion dreams** of becoming a **great warrior**. He's the **best pilot** in the Lion Tribe and has total control over all kinds of vehicles.

LEONIDAS

This **loyal Lion soldier** is as reliable as they come. It's not a good idea to give him more than **one task at a time** though!

The Lions are one of the **most advanced Tribes** in Chima. Their vehicles use the **very latest technology**. Their **cannons** are among the best weapons that Chima has to offer.

The CHI guardians

At the point where the grasslands and the jungle meet, **Lion City** towers up into the sky. This is home to the most noble inhabitants of Chima: The Lions. These were the first Animal Tribe allowed to drink from the source of the CHI.

Since then, ruled by a strict **code of honour** and the kind-hearted King LaGravis, they keep **law and order** and guard the source of the CHI, which is in the ancient **Lion Temple**.

They share the CHI with all the other Animal Tribes – even if they don't all get along! For Lions, rules and laws are everything.

The Great CHI tournament

In front of the Lion Temple is the great **Speedor Arena**. With the power of CHI, the **most exciting Speedor challenges** can be set up here within just a few seconds. This is where the Lions hold the **Monthly Tournament**. Each of the animal Tribes nominate a driver, who then competes for a precious **golden CHI orb**. Buckle your seatbelts!

ATTACK BY NIGHT

After dark, **Winzar** leads the Wolves, together with a group of Crocodiles and Ravens, in an **attack on the Lions**. If you look closely, you'll see that each attacker appears twice. Can you help the Lions spot which enemy can only be seen once?

Answer on page 34.

GORZAN'S JUNGLE STRIKER

VS

Whenever Gorzan and his Gorillas move in with their big combat walkers, fireworks are guaranteed. But the Wolves are fierce competitors! Worriz, Wilhurt and Windra come racing along with Worriz's Combat Lair!

You'd better not get in the way of my awesome **Jungle Striker** – unless you want a mighty knuckle sandwich! You can run, but you can't hide from my long-distance **CHI missiles** and wicked banana cannon. So, **make sure you keep out of our way, dude!**

CHI BONUS 5

It looks as if Gorzan has overdone it with his banana cannon! 10 bananas are spread over these two pages (not counting the ones of the Striker itself). Draw a circle around each one.

Find the answers on page 34!

NAME: Gorzan's Jungle Striker
EQUIPMENT: CHI missiles and banana cannon
CAPABILITY: Smash attack with the arms
CREW: Gorzan, Grumlo and G'Loona

WORRIZ'S COMBAT LAIR

We are not afraid of you!
Our **Combat Lair** may not look that **dangerous**, but just wait till it **starts transforming itself**! While Windra is attacking you from the air with the **helicopter**, Wakz circles you on his **Wolf Motorbike**. Then Wilhurt will lock up your friend Grizzam in our **mobile jail**! So, stop monkeying around!

Oh no! Missed!

Yikes! That was close!

CHI BONUS 6

A villainous Crocodile has hidden himself somewhere on these two pages. Eek! Can you find him?
Find the answer on page 34!

NAME: Worriz's Combat Lair
EQUIPMENT: Secret CHI compartment
CAPABILITY: Tranforms itself into five different vehicles
CREW: Worriz, Wilhurt, Windra and Wakz

HIGH RISK! PART 2

Well, well. We not only got our hands on some precious CHI, but also on a Lion!
So, Laval. How does it feel – kneeling before your future King?
What has become of you, old friend?
Yes! Another Interceptor is taking down a CHI Raider with a well-aimed rocket.
KA-BUUMM
Reinforcements have arrived in the sky!
Aaaah!
And there's help from land vehicles, too!
Take that, ugly reptiles!

But Cragger is back on his feet and sneaks off during the fight!
Get the CHI, Razcal! And let's get outta here!
At least we'll be able to secure these two bags of CHI.
Those mean cowards. I'll catch them!
Cragger.. we've got a problem!
Nothing that we can't shake off. Go!
WRRUUUUM!

But getting rid of Laval isn't as easy as expected. The brave Lion catches up and draws his sword.
You may have beaten the Raven. But you won't beat me!
CRASH!
Then Laval discovers an overturned trunk...
Hmmmm...
Oh no! Laval isn't going to...

He is! But this time he thought things through.
Wooohooo!
Laval's plan works! If he can't catch up with Cragger on the ground, he'll have to attack from above.
Look out below, silly Croc!
Huh? Where is he?
Huaargh!
With his brave move, Laval was able to stop Cragger. Both lie dizzy on the ground.

CHI BONUS 7

Oh no! The CHI lies scattered on the ground. One orb got lost somewhere on these two pages. Can you find it?

Find the answer on page 34!

After the crash, Cragger attacks Laval...
You'll pay for this, Lion!
HUCH!
Get off me!
Take your claws off my son!
I'll be back... that's for sure!
HOPS
Uh oh...

I'm so happy that you're alright. Luckily, you thought twice this time before risking your neck.
I'm proud of you, Son. Not only do you have the speed of a real Lion, but you've got the brains, too!
Thanks, Dad. But I won't be satisfied until we can end this senseless battle once and for all.
THE END

Solve all the problems on this page and show us that you're a true CHI guardian!
